

HASS Core Requirements Fall 2023

HASS Core for First-Year Students:

- 24 credits^{1, 2}
 - A *maximum* of 12 credits at the 1000-level can be counted toward the HASS core.
 - A *maximum* of 8 AP or transfer credits can be counted toward the HASS core.
 - A *maximum* of 8 credits can be designated as P/NC.
- Integrative Pathway – 12 credit HASS integrative pathway
 - Please see the catalog for approved pathway options and policies.
 - Courses counting toward the integrative pathway may *not* be designated as P/NC.
- 1 4000-level course
 - This must be a 4-credit course regardless if taken at Rensselaer or satisfied through transfer credits.
- 1 communication intensive course in first 3 semesters
 - P/NC designation may not be used.
 - Must be taken at Rensselaer.
 - Course credit number not applicable to the completion of this requirement. Not all CI courses are 4 credits.
- 1 HASS inquiry (IHSS) course in first 2 semesters

¹Engineering majors must complete 20 credits of HASS courses in addition to the credits earned associated with the three- course sequence of professional development (PD) courses entitled PD1 (either ENGR 1010 or as part of ENGR 2050), PD2, and PD3 (ENGR 4010).

²Architecture majors must complete 20 credits of HASS courses. Four credits of the HASS core requirements are embedded within the Architectural Genealogy and Cloud Atlas: ARCH 4100 and ARCH 4110.
